MINUTES

3. **RESOLVED that the minutes of the previous meeting held on 3 September 2018 be confirmed as a true and accurate record.**

CITY OF YORK PLANNING DECISION FOR JINAH BALTI, 16 THE VILLAGE.

4. Cllr Rice explained that he and Cllr Crawford had attended the site visit by City of York Council regarding the internally illuminated sign at 16 The Village in order to voice the Council's objection to the application. He also explained that City of York Councillor Ian Cuthbertson had spoken out strongly against the approval of the sign. The decision by the Planning Department however had still been to approve the application. It was decided that the Neighbourhood Planning Steering Group should be asked to refer to internally illuminated signs within their proposed plan particularly in terms of the hours lit and the brightness of the bulbs.

ROUNDBOUT AT JUNCTION OF YORK ROAD AND EASTFIELD AVENUE

5. Correspondence from City of York Council concerning improvements to the roundabout at the junction of York Road and Eastfield Avenue was discussed. The Committee asked for a response to be sent to City of York Council acknowledging the planned improvements stating that they hoped the proposed improvements would work.
