#### FREEDOM OF HAXBY EVENT

3. The Chairman explained that he had met with representatives of the Haxby & Wigginton Youth and Community Association about their preparations for the forthcoming awards evening. The evening was to be a joint presentation of the Community Association's Community Awards and the Freedom of Haxby Awards. The Chairman explained that he had been disappointed with the lack of planning and that there were now going to be no Community Awards relating to Youth and that as this had been one of the prime drivers regarding the Council's original decision to make it a joint event, he wanted the Council to discuss this to see whether hosting a joint event was still appropriate or not. This was then discussed by the Council. **RESOLVED that due to the lack of youth participation, the Council thought it best and took the decision to disengage itself from the joint event and proceed simply with the Freedom of Haxby Awards.**
