

Cllr R Cousans

- To await sponsorship from Sainsbury's

Deputy Clerk

- To write to a crepe Stall to refuse the booking for this year
- To write to a Hogg Roast stall to refuse the booking for this year
- To await sponsorship from Sainsbury's
- To await a reply from the Scouts regarding the chairs
- To await responses from the Flying Ducks Youth Theatre, The Magic Voices Community Choir and The York City Supporters regarding the 2020 Carnival.

Sponsorship – A poster had been created to advertise that Sainsbury's would be sponsoring £100 towards the cost of The Magic Hatter. Stephen O'callaghan was thanked for designing the posters. A new owner had not yet been found for the old chairs being stored by Piglets Adventure Farm. A member of the public had voiced concerns about the use of balloons as they were not environmentally friendly. It was agreed to discuss this matter further for the 2020 Carnival.

Layout of Field – An updated plan of the layout of the field was handed out at the meeting. The United Martial Arts stall had been relocated to a different part of the field to enable the existing area to become a food and refreshments area. The Clerk at Wigginton Parish Council had confirmed that the offer of £300 for the tables had been approved. It was agreed to store the tables in the Cemetery hut after the carnival had taken place and to seek permission from the Haxby and Wigginton Cemetery Committee for them to be stored there permanently.

Entertainment/Attractions – The Barbara Taylor School of Dancing were not able to perform on the day but the Flying Ducks Youth Theatre at very short notice confirmed that they would be willing to take the 15 minute performance slot which was much appreciated. Letters had been sent to the York City Supporters Club offering the winner of the Battle of the Bands the main performance slot at the 2020 Carnival. Letters had also been sent to the Flying Ducks Youth Theatre and the Magic Voices Community Choir offering performance slots at 2020 Carnival.

Manpower – Only three Councillors were available to help on the day.

Arena/Stage – The opening speech had been sent to Minster FM and they confirmed they would be bringing their coloured banner for the stage.

Procession – Dresses for the Carnival Queen and the two Attendants had been given to the girls. Photographic consent forms had been completed by their parents. The balloons had been enclosed in envelopes which had

been delivered to the businesses and houses along the village. City of York Council had approved the temporary road closure. Community TM Ltd would be dealing with the management of the temporary road closure and 5 volunteer road marshalls were available to help on the day.

Stalls – There were a few pitches still available. A crepe stall and a hogg roast stall had both made applications for a stall but it was decided that because similar stalls had already been booked the applications would have to be refused as it was felt there was not enough business for them all.

Tombola – Prizes were slowly coming in.

Finance – A financial statement would be made available at the next meeting. JSS Audio had made a request to be paid prior to the carnival. **RESOLVED to approve an advanced payment of £700.00 to JSS Audio for providing the stage, canopy and audio equipment.**

General - A photographer was needed as Tom Mulholland was not available to take the photographs on the day. An article had been sent to the Press. The North Yorkshire Fire and Rescue had been invited to attend but no reply had been received. Helen Feetenby agreed to include information about the carnival on the Haxby Moor Guiding facebook page. Articles about the carnival had been printed in the July edition of the Handy Mag, the Outlook and on the first two pages of the Summer Town Crier. There was also information about the carnival on the 'What's on' events page via Minster FM. A revised Risk Assess and Event Management Plan was sent to members of the Committee prior to the meeting. Both documents were approved. An application had been sent to the Co-op for a Grant for the 2021 Carnival as the event date had to take place after November 2020.

DATE OF NEXT MEETING

6. The next meeting would be held on Wednesday 31 July 2019 at 7.30 pm.

There being no further business the meeting closed at 8.40 pm.
