Cllr N Wyatt

At the time the meeting was due to start the Chairman made a statement to say that due to the sad death of HRH The Prince Philip, Duke of Edinburgh the country had entered into a period of national mourning since the issue of the agenda for this meeting and that as such the necessary notice for this council meeting was not deemed to have been given. The meeting therefore could not legally take place. Councillors had been notified prior to the official start time of the meetings cancellation.
